Thursday, May 16, 2019

5:30 – 6:30 P.M.

Thank you for taking the time to register your child for Year 1 Kindergarten. We would like to invite all Year 1 Kindergarten parents and their children for the 2019-2020 school year, to an information evening on **Thursday, May 16, 2019**. We will start our meeting in the **GYMNASIUM AT 5:30 P.M.** here at the school.

You may enter the school through the front doors facing the north end of the building.

Your attendance at this “**PARENTS AND NEW K STUDENTS**” session will be an important step in the introduction to the Kindergarten program at Charles Bowman Public School.

“**Welcome to Year 1 Kindergarten**” includes active participation by incoming students and their parents, important information, and answers to questions. There will also be a bag of kindergarten materials to take home at the end of the evening with ideas and suggestions for you to use over the summer to prepare for this exciting step in your child’s life.

Bowman Bulldog Pup t-shirts and stuffed animals will also be available for sale for \$15 each, cash or cheque only.

We look forward to having every parent and their Kindergarten child attend.
